

GUDO'S FLIP FLOPS UNISEX PRINTABLE SIZING CHART (LETTER SIZE PAPER)

1. Print the PDF on Letter size paper.
2. Check the measurement scale reference with a ruler to confirm the printer didn't adjust the scaling
3. Place your foot to determine your perfect GUDO fit
4. Confirm on the chart the right size for your feet! (Keep in mind as sizes vary from brand to brand, we chose to make ours run a bit bigger rather than smaller)
