

Die Probleme met PROBLEME

A child with dark hair, wearing a yellow shirt with red spots and blue pants, stands on a yellow ground. To the right is a large, red, textured tree-like structure. A small red creature with a face is on the ground near the base of the tree. A large red creature with a face is hanging upside down from the top left. The background is a light yellow color.

Probleme is gediertes.

Van hulle is piepklein, ander reusagtig weer.

Sommige kan hulself vernuftig kamoefleer.

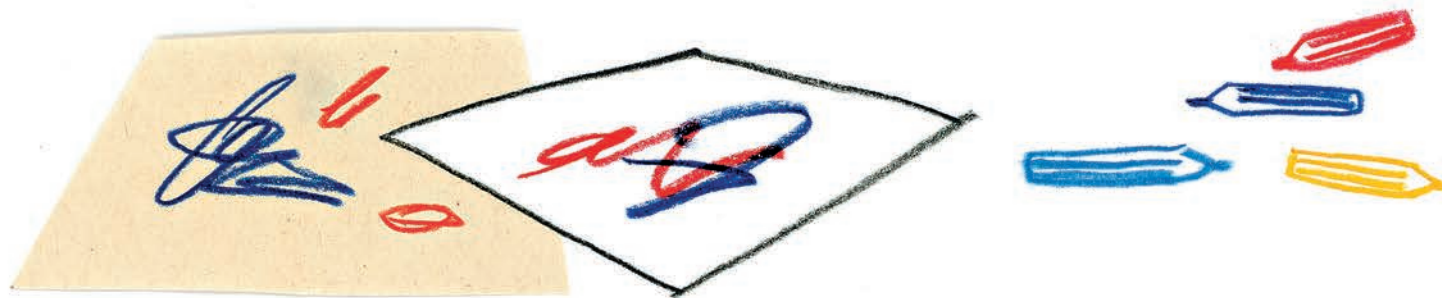

Koekerig ...

Harerig ...

Glipperig ...

Weggesteek
onder die
oppervlak ...

Taaier as gom wat alles aan jou laat vasplak.

Elkeen is anders – ek het al 'n paar teëgeloop.
Maar almal wil graag moeilikheid aan jou voete vasknoop.

Hulle stel graag vir jou 'n lokval.

Hulle bederf al
jou pret as jy vir
jou maat iets
wil wys.
