KEY: i/nfantry, c/avalry, a/rtillery, ha= HArt ® = reduced RM = Road March. E# = Emperor Returns map OM = Off map. Entry Hex on NLG map

3

NOTES: "The Emperor Returns" is a *Campaigns of Napoleon* (1X) design published by Clash of Arms games.
We have noted in the gray areas the progression of the forces as they marched toward the area of the Napoleon's Last Gamble map.
All positions are estimated according to the normal march rates, except those marked RM (Road March) which move quicker.
See the explanation on the use of these tables (37.0)
