CRAFTMANSHIP

Our philosophy is simple: outstanding precision of craftsmanship result in outstanding and reliable performance - our customers have come to expect nothing less of a Swiss made watch.

Each Pierre Laurent watch is crafted to the exacting technical standards of the world's finest Swiss timepieces. Pocket watches, mechanical movement and quartz movement wrist watches each receive our attention to every detail. Technically superb, magnificently crafted, every Pierre Laurent watch is designed to be a watch for the ages.

Our confidence in the craftsmanship is reflected in our promise to customers. Our three year guarantee surpasses that of most timepiece available anywhere. Pierre Laurent pays meticulous attention to quality and design, creating unique, luxury timepieces for those who recognize style, sophistication and exceptional workmanship.

TRAVAIL SOIGNE

Notre philosophie est fort simple: un travail soigné d'une précision remarquable donne des résultats remarquables et fiables - nos clients ne s'attendent à rien de moins.

Chaque montre Pierre Laurent est fabriquée conformément aux rigoureuses normes techniques des plus belles montres suisses du monde. Les montres de poche, les montres-bracelets mécaniques et au quartz bénéficient chacune de notre attention au moindre détail. Superbe sur le plan technique, de fabrication magnifique, chaque montre Pierre Laurent est conçue pour être intemporelle.

Notre confiance dans le travail soigné se reflète dans notre promesse aux clients. Notre garantie complète dépasse celle de la plupart des montres offerte partout. Pierre Laurent apporte un soin méticuleux à la qualité et au design, créant ainsi d'uniques montres de luxe pour les personnes qui savent reconnaître le style, la sophistication et la finesse d'exécution.

Tonneau Collection

Tonneau, French for barrel, is known for its cambered corners since Cartier introduced it in 1906. If your personal sense of style leans more formal than casual and you're looking to add a Jay Gatsby flavour to your wrist, consider adding a Pierre Laurent Tonneau shaped timepiece to your collection.
