

# SNOO MOBILITY CART

SNOO's Mobility Cart offers easy maneuverability, dynamic braking, ample storage, and optional head elevation.

## SPECIFICATIONS

- Made with 100% CRS sheet metal (exclusive of trim) for durability.
- Silent roll, medical-grade wheels featuring total-lock back wheels and swivel-lock front wheels for optimal mobility.
- Coiled extension cord expands from 3 feet to 10 feet.
- Ability to elevate head 1.5 inches (2 degrees), when desired (as per CPSC guidelines).
- Three storage shelves accessible from either side of cart.
- Magnetized doors for safe and secure storage.
- Cut-away base for easy infant access.
- Dimensions of assembled mobility cart (with SNOO attached): 47.5" L x 26" W x 38" H

## HOW TO CLEAN

If soiled, clean with CaviWipes or a hydrogen peroxide-based disinfectant.
