

^(ENG) Delicate as a flower and as functional as a pin, Alfi's light emerges from a glass orb, softened with a metal cap. Metal stems on ball joints at the base enable easy adjustment. ^(ESP) Delicada como una flor y tan funcional como un alfiler, la luz de Alfi emerge de una esfera de cristal suavizada por una tapa de metal. La base de la lámpara oculta las rótulas que permiten orientar fácilmente los brazos de forma independiente.
