

COCO

suspension lamp

COCO

The smooth Coco, designed by Jacco Maris and Wesly Boom, is shaped with the least amount of fuss. It has the look of a floating line of light. Beautiful diffuse light is spread through the translucent natural acrylic stone which is completely illuminated by the built-in LED element. The Coco collection is presented in 120, 160 and 200 cm. It is available as a special in larger sizes.
