4 FIRST AID MEASURES

4.1 Description of first aid measures

4.1 Description of first ald measur	
Eye Contact	Irrigate with eyewash solution or clean water, holding the eyelids apart, for at least 15 minutes. Obtain immediate medical attention.
Skin Contact	Wash affected skin with plenty of water. If symptoms develop, obtain medical attention.
Inhalation	Remove patient from exposure, keep warm and at rest. Obtain medical attention.
Ingestion	Do not induce vomiting. Wash out mouth with water and give 200-300 ml (half a pint) of water to drink. Obtain medical attention.
4.2 Most important symptoms	Alkaline
and effects, both acute and delayed	Irritating to eyes, respiratory system and skin. The toxicity of potassium silicate is dependent on the silica to alkali ratio and on the pH.
4.3 Indication of any immediate medical attention and special treatment needed	Obtain immediate medical attention.

5 FIRE FIGHTING MEASURES

6 ACCIDENTAL RELEASE MEASURES

6.1 Personal precautions, protective equipment and emergency procedures	Wear suitable protective clothing. Wear eye/face protection. An approved dust mask should be worn if dust is generated during handling. See Section: 8.2
6.2 Environmental precautions	Do not allow to enter drains, sewers or watercourses. Advise Authorities if spillage has entered water course or sewer or has contaminated soil or vegetation.
6.3 Methods and materials for containment and cleaning up	Caution - spillages may be slippery. Avoid generation of dust. Sweep or preferably vacuum up and collect in suitable containers for recovery or disposal. Transfer to a container for disposal or
6.4 Reference to other sections	recovery. See Also Section 8.

7 HANDLING AND STORE

7.1 Precautions for safe handling Avoid contact with eyes, skin and clothing.

	Avoid generation of dust. Emergency shower and eye wash facilities should be readily available. See Also Section 8.
7.2 Conditions for safe storage, including any incompatibilities	Keep container tightly closed and dry. Unsuitable containers: Aluminium See Also Section 10.
7.3 Specific end use(s)	See also Annex to the extended Safety Data Sheet.
