

Please read the instructions in full before assembly and note that all creases have been pre-folded.

**Step 1.** Take Panel 1 and fold the main vertical creases at right angles creating an a U shape. Stand this section upright. Fold the main horizontal creases interlocking all **A** Tabs into the **A** Slots. Push the Tabs until they are securely locked into the Slots.

**Step 2.** Take Panel 2 and interlock the **B** Tabs into the **B** Slots. Push the Tabs until they are securely locked into the Slots.

**Step 3.** Now interlock all the **C** Tabs in the **C** Slots. Push the Tabs until they are securely locked into the Slots.

**Step 4.** Once the main structure is assembled, take the Shuttle Fins and interlock into the **D** Slots.

**Step 5.** Your Shuttle is now ready ! Decorate it with Wax Crayons or Felt Tip Pens and enjoy !
