

CERTIFIED PLANTSCAPE TECHNICIAN-INTERIOR (CPT-I)

2024 ONLINE PROGRAM

Frequently Asked Questions

1. What is the Certified Plantscape Technician -Interior (CPT-I) certification course?

- One of the many ways the International Plantscape Industry Corporation serves the interior plantscape industry is by offering the online 2024 Certified Plantscape Technician – Interior (CPT-I) certification course (formally managed and owned/operated by [NALP](#)).
- The CPT-I certification course (managed by [I-Plants Magazine](#)) is an online certification program that is designed to provide comprehensive education and training in interior plantscaping.
- It covers various aspects including plant identification, installation, maintenance, irrigation, pest management, client interaction, and safety protocols. All inquiries on the 2024 CPT-I certification program can email: certification@iplantsmagazine.com

2. When does registration for the 2024 CPT-I certification course open?

- Course registration opens on Saturday, June 1, 2024. Businesses can register their staff online when course registration opens at I-Plants Magazine's direct course program website link: PlantscapeCertification.com

3. Who is eligible to enroll in the CPT-I certification course?

- Once a company has enrolled as a Business Member with the CPT-I designation program, they can purchase the 2024 CPT-I certification course for each course registrant (for each staff member). Please click [HERE](#) for pricing.

4. What does the CPT-I certification course include?

- The course includes 10 comprehensive online Plantscape Technician Modules, an online refresher quiz after each module, and an online final exam to earn the course certificate. The full online module course listing of the 2024 CPT-I certification course can be found [HERE](#).

5. How many attempts are allowed for the online final exam?

- Each course registrant is given two attempts at the online final exam at no cost. A third attempt will involve an administration fee. Please click [HERE](#) for pricing.

6. Is there a study guide available for the course?

- Yes, Business Members can purchase the online 2024 Interior Plantscaping Reference & Study Guide (Format: Online PDF) that can be shared with all their staff that are enrolled in the 2024 CPT-I certification course to utilize to study for their online final exam.

7. What is the timeframe for completing the certification course and final exam?

- Each registrant has 1 year to complete both the online certification course, their online final exam (with a passing grade of **80% or higher**), and **obtain 6 CEUs** in order to complete their annual renewal to retain their designation.

8. What are the benefits of earning the CPT-I certification?

- Benefits for course include increased self-esteem, respect and recognition in the industry, career advancement, marketing advantages for employers, less employee turnover, and a workforce committed to delivering high-quality services.

9. How can a company become a Business Member with the CPT-I designation program?

- Please click [HERE](#) for pricing. Interested companies can also email certification@iplantsmagazine.com for more information on becoming a Business Member.

10. What are the requirements for recertifying the CPT-I designation for the next year?

- To recertify, a registrant must acquire 6 CEU credits from a registered trade organization affiliate within one year of completing the course and pay the annual renewal fee. Please click [HERE](#) for pricing.
