

Vintage Chateau Herringbone - Golden Brown

Product Description

Achieve the charm of classic solid wood herringbone design with our beautiful Vintage Chateau laminate range. The narrow 84mm planks are both tough and durable and measure 8mm in thickness meaning they can handle the demands of a busy, fast-paced family home. Manufactured in Europe with an impressive AC4 durability rating that is also conveniently easy to clean and maintain. Vintage Chateau is a great choice for any room in the home, or for areas with low or heavier foot traffic in equal measure which is backed by the lifetime domestic warranty. Suitable for use over underfloor heating the Vintage Chateau range has a thermal conductivity rating of 0,08 m²K/W so it can help warm up rooms around the home in an energy-sufficient way. Please note for each pack ordered, you'll receive Part A & Part B which equals the total pack coverage.
