

50mm Basswood Venetian Blind

Product Information

Verosol's **50mm Basswood Venetian Blind** offers wonderful light regulation and privacy at an affordable price. The 50mm slats are made from 3mm thick Basswood, a dimensionally stable hardwood timber. The bottom rail is crafted from 16mm thick Basswood. The slats and bottom rails are finished with a UV coating, and are available in a range of modern decorator colours. Verosol 50mm Basswood Venetian Blinds are supplied as standard with coordinated top and bottom rails and accessories.

The head rail on Verosol's 50mm Basswood Venetian Blinds is made from roll formed steel that is powdercoated and baked for strength and durability. An optional colour co-ordinated moulded pelmet and returns are also available.
