

25mm Aluminium Venetian Blind

Product Information

Verosol's **25mm Aluminium Venetian Blind** offers wonderful light regulation and privacy at an affordable price, with the 25mm slats crowned to maximise closure. Verosol 25mm Aluminium Venetian Blinds are supplied as standard with coordinated profile colours, taking the guess work out.

The head and base rails on Verosol's 25mm Aluminium Venetian Blinds are made from roll formed steel that is powdercoated and baked for strength and durability, with the base rail fully enclosed to prevent dust build up. The blades are extra fine and extremely strong, which means that the blind is light to operate and elegant in appearance. The paint finish on the blades is electrostatically painted and baked making them tougher, stronger and more lustrous than any other.

Technical Information

Product Code	V300.0	
Product Name	25mm Aluminium Venetian Blind	
Operation	Cord & Wand Operated	
Dimensions	W: 300mm - 2700mm	*Widths: 300-450mm Split Controls Widths: 210-300mm Tilt Only
	H: 300mm - 2700mm	
	5.0m ² maximum area	

Head and Bottom Rails	Rail Type	Head Rail	Bottom Rail
	Material	U-shaped Roll formed Steel	
	Dimension	24mm x 26mm	22mm x 10.8mm
	Colour & Finish	Colour or-ordinated, powdercoated coated and baked	
	End Caps	PVC - Semi Clear	
Slat Material	Material	0.18mm thick high tensile aluminium alloy which are crowned with 1.6mm slat curve	
	Dimension	25mm slat width	
	Colour & Finish	Colour co-ordinated, electrostatically painted and baked	
Ladder String	Material	100% Braided polyester, colour co-ordinated	
	Dimension	21.7mm x 28mm	
Control	Type	Wand Operation	Cord Operation
	Material	Extruded aluminium alloy	100% Polyester with solid core
	Diametre	6mm solid hexagonal	1.4mm
	Colour	Clear	Co-ordinated
	Height	530mm, 680mm, 760mm, 910mm, 1060mm, 1370mm, or custom height	N/A
Installation Bracket	Type	Spring Bracket [for top or face fixing]	
	Material	Zinc plated steel
