

# CLIP-ON PHONE RING LIGHT

USER MANUAL USER MANUAL USER MANUAL USER MANUAL USER MANUAL

**Power button**

**Charging port**

A red light will turn on when charging.

The light will automatically turn off when device is fully charged.

**Clamp**

## How to use

1. Press the power button to turn the device on.
2. Short-press the power button once to switch between three light modes (cold light, warm light, and cold & warm light).
3. Long-press the power button in any lighting mode to adjust the brightness level. Each lighting mode features three brightness levels (low, medium, and high).
4. Be careful not to cover any camera lens when clipping the ring light to your phone.
