

**AMERICAN FORGE & FOUNDRY**

## 50-Ton Air/Hydraulic Bottle Jack

The AFF 50-ton air/hydraulic bottle jack includes some of the most advanced features available today and provides countless solutions even in the toughest working conditions.

### Key Features and Benefits:

- Specially engineered motor for consistent and effortless air operation
- Fully welded tank and frame for superior strength, durability, and leak-free operation
- Extra-thick base provides a stable working platform, even on rough or uneven terrain
- Heavy-duty external return springs provide efficient operation
- Shielded release screw prevents accidental lowering
