

CH-24 BEAD BREAKER

PRODUCT FEATURES

No other bead breaker can match the ease, performance and versatility of the **CH-24 Bead Breaker**. All tires and wheels from the problem ATV tires to large truck tires can be handled quickly without damage to the tire or wheel. The CH-24 Bead Breaker shoe follows the wheel contour and eliminates the need for ratchets or impact wrenches. The dual pivot action and the slip fit, quick adjusting collar of the CH-24 Bead Breaker allows the operator to find the optimum pivot point for maximum leverage.
