

CHR-1 CHEETAH® SAFETY-FLATE

PRODUCT FEATURES

The **CHR-1 Cheetah® Safety-Flate** is developed for fleet service applications. The CHR-1 eliminates guesswork by using a 3/8" high volume, high flow regulator which quickly and accurately inflates up to four tires at the same time. The pre-set inflation gauge and regulator assembly maintain safety and precision. The CHR-1 is equipped with special couplers and (4) 25' hoses. Constructed of high strength steel, yet lightweight and compact, the CHR-1 Cheetah® Safety-Flate is built for heavy shop use and years of dependable service.
