

Hydraulic STAK-ABLE Ram

MODEL 10807C

3.4-4.9"
87-125mm

2"
50mm

1"
25mm

0.4"
10mm

*Includes Carrying Case

Benefits & Features:

- High quality expandable ram for a wide range of applications
- Works great on OTR and Commercial Truck Tires
- Helps push rusted wheels off of hubs
- Does the job where many other rams fall short or too bulky for small spaces
- Convenient carrying case included
