

Ken-Tool's New Tire & Wheel Service Center (#36047)

Besides featuring 21 of Ken-Tool's most popular tire tool products, this new merchandiser attracts attention! It features a large 15"x17" color display card at eye level with high-res color photos and descriptions of some of our best selling products. Each photo has a box so that a 1"x2.5" barcode price label can be added. The sturdy 12"x16" freestanding, powder-coated wire rack features bright color graphics to let your customers know they are buying Ken-Tool's professional quality tire tools and lug wrenches. Included at no extra cost is a 3" high 4-wheel dolly with strong and durable caster wheels to enable the loaded rack to be easily moved to different locations and to facilitate floor cleaning. The rack and dolly take up a small 15"x16" footprint and can be placed on the floor or, without the dolly, on a standard 18" gondola base shelf.
