PRODUCT CATALOG

Our business started in 2004 with a dream of bringing Brazilian made barbecue machines known as “churrasqueiras” to the US market. Over the course of ten years we acquired clients, particularly steakhouses, and become known for supplying the top industrial churrasqueiras and our unwavering commitment to customer service.

We provide access to high-quality, best-of-breed Brazilian BBQ machines and kitchen goods for customers across the US. We take great pride in our company, our products and in our commitment to customer service. Whether selling a BBQ machine to a dad in Wyoming or assisting a Texas-based steakhouse with logistics and supply development, we are here to fill your needs and help **Open Your Kitchen!**
