Description	<p>We're proud to introduce SOW Chia Milk, the first non- dairy, plant-based milk made from the mighty chia seed, a powerful superfood! With nearly twice the fiber and heart-healthy omega-3 fat, our milk alternative beats most other plant-based milks on nutrition. And we're proud to have retained the color and subtle flavor of dried fruits specific to the seed from which we came, making SOW Chia Milk perfect for those who already love nut and seed milk. So, whether you prefer the original or a little bit sweet, go ahead and give SOW Chia Milk a try – it's guaranteed to supercharge your morning smoothie or cereal and get your day started right!</p> <p>At SOW we cultivate under a regenerative agriculture system helping to reverse climate change.</p>
