

NEW to North America, Galaxy Balsamic Vinegar Cream with edible Gold Dust and Galaxy Lemon Sauce. These Superior Taste Award winners are sought out for their unparalleled quality, aroma and rich taste, standing out among a broad range of products.

GALAXY-Mavidou & Sons passionately search for the best raw materials, evolve, and move forward, incorporating innovative production elements, expanding its range of products and, above all, showing respect to consumers and their modern dietary needs.

Galaxy's products carry within them the knowledge of a family tradition and small secrets that offer this unique quality, which creates unexpected combinations, textures and aromas that come together beautifully to take any dish's flavour to the next level.
