

FILTERED AND ENRICHED OVER TIME
BY NATURE WITH PRECIOUS MINERALS

IOLI

Natural Mineral Water IOLI gushes at the foot of the Iti mountain range and is bottled directly at the source, without any treatment or intervention in its composition.

Ideally balanced and enriched by nature with valuable elements necessary for the proper functioning of the human body. Pure, Delicious and Precious, stands out for its modern character, its unique quality and is an ideal choice for well-being and balance of body and mind.
