

Our journey began in our home kitchens while DIYing nut butters. Pure and delicious. And we literally made it happen. After many spoonful tastings,

# NUTERS 

 many laughs and way too many broken blenders! We are the kind of optimistic wonderers who live and work between Athens and Volos.We want to be bold, and we love to explore. For us, risk is fun and joining forces is key. Our ambition is to manufacture all-natural, highly nutritional products full of flavour that fuel our families and us daily.

100\% PURE

GLUTEN
\& DAIRY FREE

VEGAN

Proud of the Purity of our Raw Materials! Our raw materials come from selected harvests; we say no to added preservatives and palm oil. And the whole point of our effort? To offer whole, unprocessed nuts and nut-based products with respect to the environment along the way.

For us, there is no but. There is only butter. We are the NUTLERS!
