# CHRISTIANE SPANGSBERG

REGARDE-MOI

**ONEROOM GALLERY**

Pop Up Exhibition  
80 Rue de Turenne  
75003 Paris

**In this show I seek to explore the relation between people in the way we are perceived. Both in our daily life, but also in the digital world.**

**What is a connection? How are we perceived and how do we see others?**

**These are questions I have tried to get a better understanding of through the works in the show. In this process new and brighter colors are added to the palette as well as the more traditional blue which brings a depth to the exhibition as a whole.**
