

Wellness

More than ever, we need to take good care of ourselves. Lucky for us, this month is simply packed with discounts on everything you need for self-care; including detoxes, hand sanitizers, CBD products, and teas.

Babington Soap Co. Hand Sanitizers: This uniquely formulated 2-in-1 lotion keeps hands soft and hydrated while killing 99.9 percent of harmful bacteria. Through January 31, save 20 percent off the \$9 travel sizes and the \$20 gift-boxed 250ml size with code `silkyhands20`.

Now that the holidays are over, it's time to do a little shopping for yourself! And just because the holidays are behind us, doesn't mean the deals are. You can always rely on White Sales in January, where you can save on all sorts of bedding and bath items. We also see sales on "New Year/New You"-related items, like those tied to fitness, wellness, and self-care. So, whether you need to replace those old towels or you're up for some self-improvement, this is your month. Here are some of the **best deals** in January (and which categories to avoid).
