

# Skin Awakenings

**1.** At **SKIN VIRTUE**, they believe that everyone deserves healthy skin. They are committed to providing advanced products that encompass the most effective aspects of both science and nature. Throughout their 10 years of clinical research, they have been able to understand the complexity and functionality of the different layers of the skin and aim to slow down this deterioration process and provide essential building blocks for healthy-looking skin. Visit [www.skinvirtue.com](http://www.skinvirtue.com) and follow @skinvirtue

**2.** Designed by dermatologists, **SKIN + ME** prescribe personalised skin treatments which are designed to help to tackle the appearance of fine lines, wrinkles, acne, pigmentation and more. Take their online dermatology consultation and then apply your personalised solution nightly. Visit [skinandme.com](http://skinandme.com) with code VG421 to get a month free (just pay £3.50 pharmacy fee), expires 31/07/21.

**3.** The Hyaluronic Zeg Cream by **ZEG BEAUTY** is designed to leave skin feeling hydrated whilst helping to prevent visible signs of ageing. Skin is only capable of holding so much moisture and this cream works to nourish the skin with the perfect amount of moisture. When applied, this formula improves the appearance of fine lines and creates the impression of suppleness. The product combines Hyaluronic Acid with Squalane and Jojoba Seed Oil. Visit [www.zegbeauty.co.uk](http://www.zegbeauty.co.uk) and follow @zegskincare on Instagram.

**4.** **SUNDAY SKIN CO.**'s Radiance Elixir is designed to leave your face feeling velvety soft, smooth and hydrated by targeting the many layers of the skin. Gentle on the skin and perfect for every day use, apply 3-6 drops after cleansing for that Sunday Skin Glow! Visit [www.sundayskinco.com](http://www.sundayskinco.com) and follow their Instagram @sunday\_skinco

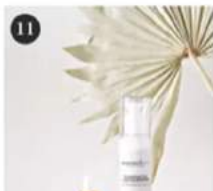

**5.** Embrace the power of slow ageing with Kulia's Regenerative Face Serum. A blend of Royal Hawaiian Sandalwood Oil, Amaranth Seed Oil, and pure essential oils. Their serum leaves skin feeling hydrated and appearing radiant. **KULIA SKINCARE** creates a sense of vibrancy for the skin, spirit and planet. Its combination of time-honoured, natural oils and extracts are catalysed by rose quartz and amethyst crystals. Visit [www.kuliaskincare.com](http://www.kuliaskincare.com) and follow @kuliaskincare on Instagram

**6.** **BEAUTY-TOX** is the all-in-one supplement that aims to support the skin and gastrointestinal health. These capsules have been designed to support the feel of skin elasticity and firmness, whilst also helping maintain normal intestinal health. Created to help you to feel beautiful from the inside out. Visit [axlife.com](http://axlife.com) and follow @axlife on Instagram.

**7.** Get glowing with **AUGUST & LEO SKIN**'s CC Glow Serum. This powerhouse formula is clean, vegan and contains a gentle dose of 5% Vitamin C. It feels gentle and effective.

**30.** Why choose between a hand sanitiser and a moisturiser when you can have both? **THE BABINGTON SOAP CO.** have created a product with a difference. Made using 99.9% natural ingredients. The Plant-based Moisturising Hand Sanitiser works to kill 99.9% of harmful bacteria while leaving hands feeling silky soft and smooth. Visit [www.babingtonsoap.co.uk](http://www.babingtonsoap.co.uk) or @babingtonsoap to find out more.

wrinkles whilst encouraging firmness. Skin appears brighter and feels hydrated and silky smooth. An ethical, cruelty free and vegan, UK brand. £35.00. Visit [www.madskincare.net](http://www.madskincare.net) and follow their Instagram @madskincareofficial
