IT

Cocodor, fondata nel 2002, è cresciuta costantemente diventando azienda leader di candele e diffusori in Corea. L'azienda è specializzata nella produzione di diffusori con ingredienti naturali, un vasto know-how e un mix ottimale. Le nostre strutture completamente attrezzate sono in grado di sviluppare e produrre prodotti di alta qualità a un prezzo ragionevole. Siamo stati pionieri e siamo diventati un'azienda leader nel settore dei profumi in Corea. Con passione ci dedichiamo alla nostra missione di fornire a tutti buoni profumi, sicuri per la persona e per l'ambiente.

FR

Cocodor, fondée en 2002, s'est progressivement développé en tant que société leader sur le marché coréen des bougies et diffuseurs parfumés. Elle est spécialisée dans la fabrication de diffuseurs d'ambiance utilisant des ingrédients naturels, grâce à un vaste savoir-faire et à des créations uniques. Nos installations entièrement équipées nous permettent de développer et de fabriquer des produits de haute qualité à un prix accessible. Nous sommes devenus pionnier et sommes une entreprise leader dans l'industrie du parfum en Corée. Nous nous efforçons de poursuivre notre mission qui permet à chacun de profiter d'un magnifique parfum, sûret respectueux de l'environnement.

DE

Cocodor gibt es seit seiner Gründung im Jahr 2002 und hat sich als führendes Unternehmen für Kerzen und Raumdüfte in Korea stetig weiterentwickelt. Es ist spezialisiert auf die Herstellung von Raumdüften mit natürlichen Inhaltsstoffen, langem Know-how und optimaler Mischung. Mit voll ausgestatteten Einrichtungen sind wir in der Lage, qualitativ hochwertige Produkte zu einem angemessenen Preis zu entwickeln und herzustellen. Wir sind ein Pionier und ein führendes Unternehmen in der Duftindustrie in Korea geworden. Wir bemühen uns, unsere Mission fortzusetzen und allen Menschen schöne Düfte zu bieten, die sicher und umweltfreundlich sind.

VISION

We study fragrances. We capture fragrances. We preserve fragrances to bring a smile to your face. Fragrances that stay by your side. Cocodor will become one of your warmest and cherished memories.

We have studied fragrances for 20 years to fill your everyday life with sweet and rich scents. As a global brand, cocodor creates user-focused products that are moderately priced to ensure enjoyment by all. Cocodor will never stop striving to be a reliable brand. We export to over 30 countries.

MISSION

Evolution of Fragrances at Reasonable Price

We create our own fragrances. Going past being diffusers, we deliver fragrance with flowers. Our R&D team, comprised of the best talents, is committed to improving the quality of our products.

Social Contribution of Fragrances

Cocodor will always continue its dedication to social contribution. Among the projects already realized, we can include:

- Sponsorship to build water wells in South Sudan, Africa
 - Sponsored volunteer work to fulfill the wishes of children with incurable diseases by the Korea Make a Wish Foundation
 - Senior citizens-friendly: job placement for senior employees in horticultural areas
 - Equal Opportunity Employment for people with disability in horticultural farming and company cafeteria
-

Worldwide No.1

Cocodor employees create beauty and shared growth with their own hands. Capturing beautiful scents, bright lights and even the colors of flowers, cocodor products, both beautiful and practical, will be part of our life.

QUALITY

- ✓ No Formaldehyde, methanol, benzene, glyoxal and dichloroethylene
- ✓ We adhere to IFRA standards and regulations

Our diffusers consider people and nature.
Contains extracts of 5 natural ingredients:

IT

NATURAL OIL DIFFUSERS

A new and high-performing solvent made from a renewable source, with excellent solubilising power, low evaporation rate and low odor.

Natural oil is by far the best reed diffuser base oil, and its features include:

- Fragrance Enhancement
- HSE (Health, Safety and Environment) Profile Improvement
- Eco-Friendly Product
- No oral or inhalation toxicity
- No aquatic toxicity
- Lower Carbon Footprint

		
Naturally derived diffuser base developed exclusively by Cocodor	EWG Grade 1 Natural grain fermented spirits	Contains 5 kinds of naturally derived extracts
		
Passed safety test with +10 types of hazardous substances not detected	U.S. Environmental Protection Agency Green Circle Grade Ingredients	Diffuser bottle, reed sticks conform to safety standards
		
Delicate and elegant fragrance of a professional perfumer	Consistent fragrances developed through hundreds of studies	Direct production and distribution for honest prices without bubbles

Quality Control

All products of Cocodor are produced in the strict process, as a result of constant research. For 6 consecutive years, from 2016 to 2021, we have been rated Korea's N. 1 diffusers for quality and customer's satisfaction.

FRAGRANCES

FLORAL

Rose Perfume

The Grasse region's fresh, sweet centifolia rose is blended with a sensual musk scent, delivering the rose scent more elegantly.

Lovely Peony

The scent of floral bouquet and magnolia is blended with a pink musk note, and delivers the elegance and sensuality of the mysterious peony.

English Pearfree

The rich and elegant scent by mixing fresh floral scent of white freesia and sweet scent of english pear.

FRUITY

Black Cherry

The freshness of grape and apple is added to the sweetness of the ripe black cherry. The unique subtle sweetness of the black cherries will warm the atmosphere.

Die Frische von Trauben und Äpfeln trägt zur Süße der reifen schwarzen Kirsche bei. Die einzigartige subtile Süße der schwarzen Kirschen erwärmt die Atmosphäre.

Joyful Season

A scent that like a Christmas sparkling drink containing plenty of freshly picked raspberries and sweet oranges, making you feel the citrus and sweetness at the same time.

HERBAL

Garden Lavender

It is a combination of the sweetness and herbal scent unique to lavender, as if full of lavender blooming in the sunlit garden in a lazy spring afternoon.

FRESH

April Breeze

A scent that like wind blowing from the forest in the morning sunshine. Feel the excitement of the spring from the scent of the forest in the fresh air.

Pure Cotton

The citrus and mint added to the white laundry note, delivers the clear, cotton texture as a scent. A scent containing a clean and pure feeling like a pure white duvet.

WOODY

Deep Musk

A charming musk scent with cool bergamot orange, pinewood blended with sandalwood and vanilla will immerse us in a deep woodland atmosphere.

Vanilla & Sandalwood

The exotic scent of sandalwood follows sweet vanilla notes.

POWDERY

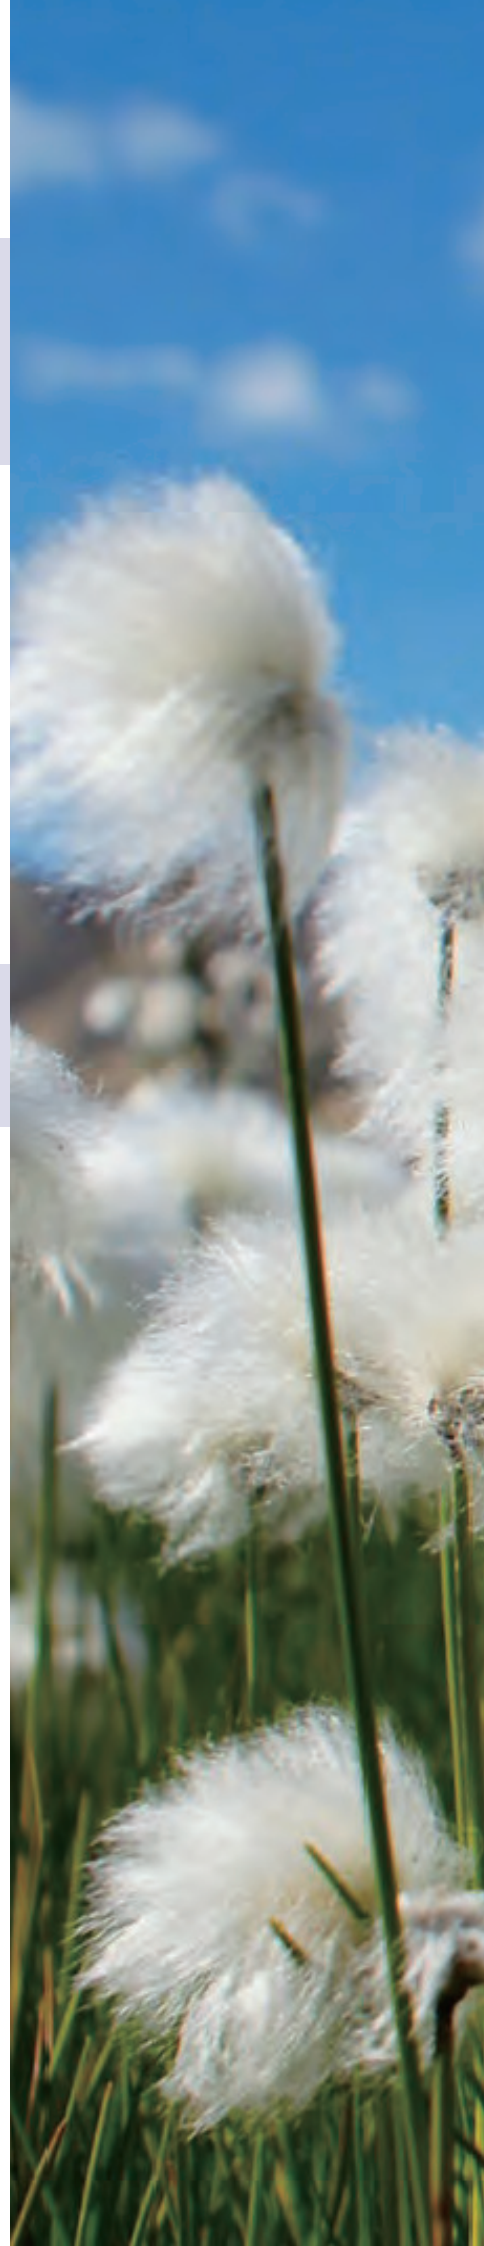

White Musk

A scent with a rich white powdery feel with subtle sensuality added on top. Try to feel the deep charm of slowly permeating white musk scent.

Spa Relax (Christmas Relax)

The soft scent of Camomile mixed up with gentle lavender and floral perfume.

Real flowers

Herbarium diffusers are produced with real dried flowers inside the bottle to create a charming "flower aquarium".

The liquid can change colour according to the flowers and other natural decorative elements included inside the bottle.

IT

I diffusori Herbarium sono prodotti con veri fiori secchi all'interno della bottiglia per creare un romantico "acquario di fiori".

Il liquido può cambiare colore in base ai fiori ed altri elementi decorativi naturali presenti all'interno della bottiglia.

FR

Les diffuseurs Herbarium sont fabriqués avec de véritables fleurs séchées à l'intérieur de la bouteille pour créer un charmant "aquarium de fleurs".

Le liquide peut changer de couleur en fonction des fleurs et autres éléments décoratifs naturels présents à l'intérieur du flacon.

DE

Herbarium-Raumdüfte werden mit echten getrockneten Blumen im Inneren der Flasche hergestellt, um ein charmantes "Blumen-Aquarium" zu schaffen.

Die Farbe der Flüssigkeit kann variieren und je nach den Blumen und anderen natürlichen dekorativen Elementen in der Flasche gefärbt werden.

PRESERVED FLOWERS

Next to cocodor plant there are fields of beautiful flowers: Gypsophila and Misty Blue. Cocodor grows these flowers to be coloured and preserved, as perfect decoration of diffusers that brings a natural spot in our home.

Cocodor preserved flowers can last soft and bright up to 3 years, when properly cared for and kept out of direct sunlight.

IT Accanto al sito di cocodor ci sono campi di bellissimi fiori: Gypsophila e Misty Blue. Cocodor coltiva questi fiori per colorarli e stabilizzarli, come perfetta decorazione dei diffusori di profumo portando un angolo di natura nella nostra casa.

I fiori stabilizzati cocodor possono durare morbidi e luminosi fino a 3 anni, se adeguatamente curati e tenuti lontano dalla luce solare diretta.

FR A proximité des usines de production cocodor, il y a de magnifiques champs de fleurs. Cocodor cultive les Gypsophila et les Misty Blue pour les colorer et les préserver, comme une parfait decoration de nos diffuseurs en leur apportant une touche naturelle dans notre maison.

Les fleurs cocodor peuvent se conserver jusque 3 ans, lorsqu'elles sont correctement entretenues et à l'abri de la lumière directe du soleil.

DE Neben cocodor Werk gibt es Felder mit schönen Blumen: Gypsophila und Misty Blue. Cocodor baut diese Blumen an, um sie zu färben und stabilisieren. Sie sind die perfekte Dekoration für Raumdüfte, die einen Naturecke in unserem Haus schaffen.

Cocodor stabilisierte Blüten können bis zu 3 Jahre weich und hell halten, wenn richtig gepflegt und vor direkter Sonneneinstrahlung geschützt.
