CHRISTMAS KOLLEKTION

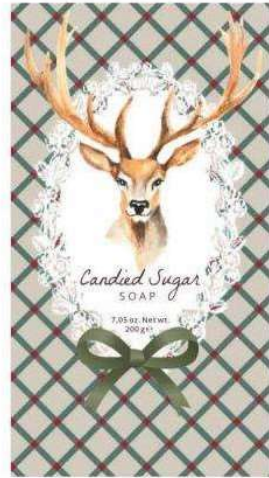

Based on different visions and interpretations of what the market trends are today, each line presented was thought of as a gift and also as a decorative object, composing collections that combine patterns and images alluding to the company's history more or less evident and looking always for elegance, we suggest a selection of bold fragrances and images that complement each other and offer familiar aromas that give the products an captivating effect.

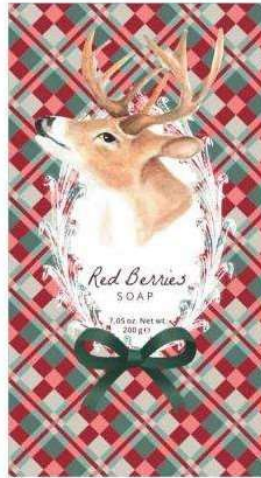

Tolon pony – Motiv CHRISTMAS Reh und Hirsch, g?,
