PowerMadd Handguard Guide

The below PowerMadd handguards are compatible with our handguard mounts PN: HGPMM-22M1V1.

Star Series Handguards

The strongest protection you can buy. The Star Series Handguard is designed to take a beating. The most versatile handguard on the market. Universal fit for ATVs, motorcycles and snowmobiles. The Star Series is made from two different types of plastic - a stiff spine for protection and a softer colored body for style. The vent cover snaps out for summer riding or to snap in the optional Extensions for added wind and mud protection.

PNs: 34200 - 34233
