

TECHNICAL DATA SHEET

# GREEN STAR SEALER

## DESCRIPTION

Rockstar GREEN STAR SEALER is a water-based penetrating sealer formulated for use on a wide variety of natural stones such as Marble, Limestone and Terrazzo.

Rockstar Green Star Sealer has a very low VOC content.

## USES

GREEN STAR SEALER is applied to the floor surface to protect against the ingress of oil and water borne staining substances. Use an alternative to solvent based sealer. Food safe.

## BENEFITS

- Environmentally friendly with low VOC content
- Does not change the appearance of the treated surface
- Durable and highly water and stain resistant
- Does not inhibit the water-vapour permeability
- Ready to apply, no dilution required
- Rapid curing
- UV Stable

## PROPERTIES

Appearance and colour.....	Amber Liquid
pH.....	7-8
Specific Gravity (Water = 1).....	1 g/ml
Boiling Point.....	100°C
Solubility in Water.....	Miscible
Flash Point.....	Non flammable
VOC Content.....	38 gm/Lt

## APPLICATION INSTRUCTIONS

1. Ensure the surface to be sealed is clean, dry and free of any oils and other surface contaminants.
2. Apply GREEN STAR SEALER undiluted using a lambswool applicator or low pressure hand sprayer.
3. Ensure that the surface is evenly coated without leaving wet pools of product on the surface. Apply 2 coats wet on wet i.e North South application followed immediately by the second coat in the East West direction.
4. The product will cure in 12 hours depending on atmospheric conditions.

## COVERAGE

Coverage is dependent on the permeability of the surface and is in the range of 6-15 Mt<sup>2</sup> per litre.

## PRECAUTIONS

1. Do not allow pools of liquid GREEN STAR SEALER to dry on the surface as a resin will develop on the surface that is difficult to remove.
2. Follow good industrial hygiene practices when using this product. Avoid contact with skin and eyes by wearing suitable protective gloves and eyewear.

Greenstar Sealer is below the VOC Content limits of chosen category specified by Green Star Design, Green Building Council of Australia

### CLEANING

Clean all equipment in water.

### PACKAGING

GREEN STAR SEALER is available in 1, 5 and 20 litre packs.

### STORAGE

Keep container tightly closed when not in use.

Store in a cool, dry place out of reach of children.
