## PRODUCT SPECIFICATION SHEET

## Engraved Plastic 30mm Switch Plates

Kolbi Engraved 30 mm Nameplates are designed to meet exact project requirements. These highly durable plates are available in the most commonly used sizes or custom-made to meet a specific need. Precision engraving equipment produces the exact letter size and font needed for optimal viewing from any distance. Ability to vary letter size by line creates plates that are easier to read and meet exact project specifications.

## 30mm Switchplate Examples

Standard size. Other sizes available upon request.

## Standard Colors

| White/Black | Black/White | White/Red | White/Blue | Black/Orange | White/Green | White/Gray | Black/Yellow |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |

| Installation Instructions | For adhesive backing applied to a clean dry surface above $50^{\circ} \mathrm{f}\left(10^{\circ} \mathrm{C}\right)$ |
| :--- | :--- |
| Service Temp | $-40^{\circ} \mathrm{F}$ to $200^{\circ} \mathrm{f}\left(-40^{\circ} \mathrm{C}\right.$ to $\left.93^{\circ} \mathrm{C}\right)$ |
| Water Resistance | Good |
| Finish | Matte |
| Material Properties | Impact acrylic |
| Material options | $1 / 16^{\prime \prime}(1.6 \mathrm{~mm})$. Other sizes available upon request. |
| UV resistant option | UV resistant option available for some colors |
| Installation Options | Adhesive backing, holes and adheisve backing |
| Hole Options | One hole each side centered |
| Adhesive Properties | $4-$ Mil acrylic adhesive, adhesive rated from $-40^{\circ} \mathrm{F}$ to $175^{\circ}{ }^{\circ} \mathrm{F}\left(-40^{\circ} \mathrm{C}\right.$ to $\left.79.45^{\circ} \mathrm{C}\right)$ |
| Storage Stability | Indefinite when stored at $70^{\circ} \mathrm{f}\left(21^{\circ} \mathrm{C}\right)$ and $50 \%$ rh |
| Outdoor Durability | $4-6$ Years (UV Resistant Material $15+$ years) |
| Chemical Resistance | Resistant to acids, alkalis and salts |
| Equivalent To | Seton Setonflex Rotary Plates, Brimar Briply, Marking Services Inc. Rotary Switch Plates, Brady Engraved Plastic Switch Plates |
