7

**Martyn Lawrence Bullard**  
for **Duchateau**

5

**product** Napoleon III  
**standout** The celeb designer's series of 9.5-inch wide-plank European oak flooring comes in six hues channeling the signature aesthetic of historic architecture figures, including this desaturated blonde/tan named for the progenitor of Second Empire style. [duchateau.com](http://duchateau.com)

**Priya Vij**  
of **Hapny Home**

6

**product** Smiley  
**standout** Radiating positivity and whimsy, these emoji-esque solid-brass knobs are the brainchild of the company founder, who aims to bring an innovative touch to the age-old hardware industry. Through MyKnobs. [myknobs.com](http://myknobs.com)

**Sarah Sherman Samuel**  
for **Concrete Collaborative**

7

**product** Modern Fluted Brick  
**standout** The Michigan-based designer known for clean-lined yet energetic interiors collaborates with the concrete specialist to offer an oversize scalloped brick inspired by fluted columns—ideal for facades and interior feature walls alike. [concrete-collaborative.com](http://concrete-collaborative.com)

**Jennifer Farris**  
for **Florim USA**

8

**product** Kunano  
**standout** A graphic-patterned matte-porcelain tile by the founder of D.C.-based hospitality-focused Bandura Design nods to weaving and fiber-art traditions and the unsung work of women's hands. Through Milestone Tiles. [milestonetiles.com/en](http://milestonetiles.com/en)
