## Ordering Info

- Opening Order:** To become a registered dealer of Hapny Home products, you must have a showroom to display our product to the public. We require a minimum purchase of four half-size display boards to open a wholesale account with us. To start the process, please email [hello@hapnyhome.com](mailto:hello@hapnyhome.com).
- Placing Orders:** All orders can be emailed to: [orders@hapnyhome.com](mailto:orders@hapnyhome.com).  
Orders placed by 2:00pm CST will ship the same day as long as the product is in stock. We are not liable for cancellations or changes to orders after they ship.
- Minimum Fees:** We have no minimum orders, quantities, or fees.
- Order Terms:** First orders are shipped prepaid via credit card payment. We establish NET 30 credit terms after the first order and a basic credit check. We do not ship orders to past-due accounts.
- Returns/Shorts:** Claims for shortages or defective products must be made within 7 business days of receiving the order. We allow returns up to 90 days from the original date of purchase. All returns are subject to a 30% restock fee, assuming they are returned in good and “resalable” condition. Damaged returns will face higher restock fees, and unusable product will be rejected.

## Shipping & Freight

- Shipping:** All of our orders are shipped via UPS Ground. Expedited shipping options, such as UPS Red (“Next Day Air”), UPS Blue (“Two Day”) or UPS Orange (“Third Day”) are all available for an additional cost.
- Freight:** Our freight costs are calculated directly by UPS and charged on all orders, including items that ship as a result of an original backorder. Expedited shipping adds an additional charge onto the total freight amount.
- Third Party:** We are able to ship on your verified UPS account number as a third-party billing option if you prefer.

<b>Materials:</b>	We keep it simple. Our metal products are made with 100% solid brass to ensure quality and product longevity.
<b>Variation:</b>	Due to the manual nature of the finishing process, you sometimes see lot-to-lot variation across products. We think it's all part of the beauty and fun.
<b>Product Care:</b>	Gentle is key. Clean your hardware with a soft, damp cloth, and wipe completely dry. Do not leave any water or soap residue on your product. Never use any chemicals or harsh over-the-counter cleansers. These will strip your hardware of its finish and, even worse, void your warranty.
<b>Included Screws:</b>	<p>Our hardware includes <b>2 different mounting screws</b> to accommodate almost all cabinet door and drawer sizes.</p> <p>Our knobs and pulls include a <u>#8-32, 1" Phillips head screw</u> and a <u>break-away #8-32, 1.75" Phillips head screw</u> with four break points (<math>\frac{3}{4}</math>", 1", 1 <math>\frac{1}{4}</math>" and 1 <math>\frac{1}{2}</math>"). Our knobs come with 1 of each screw per product, and our pulls come with 2 of each screw per product. Our appliance pulls include 2 <u>1/4"-20, 1.25" Phillips head screws</u> and 2 <u>1/4"-20, 1.75" Phillips head screws</u>.</p>

---

## Warranty

<b>Product Warranty:</b>	<p>At Hapny Home, we are committed to creating high quality products for your home. We offer all our consumers a <b>Limited Lifetime Warranty</b> to show we stand behind the quality, durability, and design of our goods.</p> <p>Our products are covered from all manufacturer defects and breakage. Our warranty applies to the original purchaser, is non-transferrable, and lasts for the lifetime of the original buyer for as long as they own the product. Selling or transferring the product invalidates the warranty.</p>
<b>Not Covered:</b>	<p>Our warranty does <b>NOT</b> cover:</p> <ul style="list-style-type: none"><li>• Normal wear and tear of product over time</li><li>• Product damage due to improper installation or failure to follow mounting instructions</li><li>• Misuse of the product</li><li>• Any damages or expenses caused by defective product</li><li>• Finish and metal deterioration caused by things out of our control, like exposure to atmospheric conditions, corrosive air, outdoor environments, natural disasters, and accidents.</li></ul>

---

## MAP Policy

<b>MAP Policy:</b>	We support our brick & mortar dealers by enforcing a strict Minimum Advertised Price (MAP) policy of <b>20% off retail list price (MSRP)</b> for our online retailers. We will proactively monitor this and handle any MAP violations immediately.
