WHAT IS SUSHI?

Sushi comes in a variety of shapes and flavours but what most do not know is that sushi actually refers to the sweet vinegar seasoned sticky rice, it is not raw fish! At Nudo we have Chicken, Duck, Prawn, Tofu, Veggies and of course raw fish which is called Sashimi so we are confident you will find a dish to suit you. So here's a quick guide to Sushi, what it's called and what it looks like!
