

FEATURES & BENEFITS

 **Ultra-Stable**
 Quality engineered multi-ply construction holds its shape, resists cupping and peaking over time

 **Waterproof**
 Top layer and core are impervious to water, prevents damage from spills and everyday mishaps. Great for kitchens, bathrooms and basements.

 **Dent Resistant**
 High density core and top layer are made to stay beautiful for years

 **Esay to Install**
 Installation is fast and easy with Valinge click system. Ideal for overnight installation without business interruptions.

 **Easy to Maintain**
 Spills and messes are easily wiped up with a damp mop. It is also highly stain resistant.

 **Gap Resistant**
 Super tight, patented Valinge joints, prevent ugly gaps and keeps floors resistant to surface water.

 **Superfine Anti-slip Class**
 Safety is one of our major concerns in flooring. The product has a specially developed anti-slip rating. The SPC flooring performs well to prevent skidding in humid areas.

 **Peace of Mind Durability**
 A beautiful floor that stands up to life and everyday mishaps. Great for kitchens, basements and base-ments.

 **Environmentally Friendly**
 Dotfloor is high quality lime stone power and PVC resin, without harmful made materials such as ben-zene, formaldehyde and heavy metals. The final products passed the test from more than 179 differ-ent types of hazardous materials, chemicals, etc.

 **Pet Friendly**
 Tested and proven for pet urine (matched fluid, low acidity/ PH 4-5). Dotfloor shows no visible signs of surface staining per strict ASTM F925 standard.

Plank Length	48"	Plank Width	7.17"
Plank Thickness	5.5mm	Attached Pad	1.5mm Built In Padding
Wear Layer	0.3mm (12mil)	Weight (lb.)	48.68
Installation Type	Glue or Float
