

The world's favourite lock

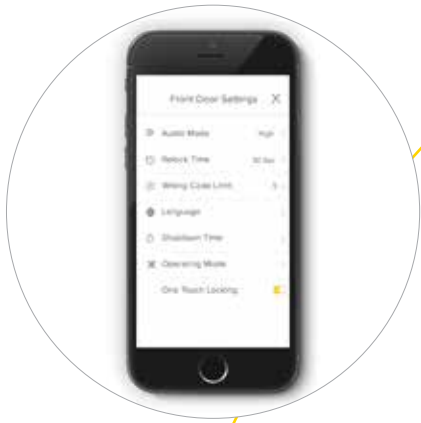

# Assure Lock™ with bluetooth®

The Yale Assure with Bluetooth allows you to unlock your home with your smartphone, allowing you to ditch the keys for good! Share digital keys with family and friends, view access history and customise lock settings and PIN codes all from your Yale Assure app (available on android and ios). This DIY product is easy to install on new or existing doors. Z-Wave and Zigbee modules are coming soon.

# The world's favourite lock

## **TOUCHSCREEN KEYPAD**

Unlock by entering your PIN code and lock up with a simple tap.

## **YALE ASSURE APP**

Use your phone to unlock your home and manage who has access, with the free app.

## **TWIST AND GO**

Rotate your smartphone 90° upon approaching the door and touch the keypad to unlock.

## **SHARE KEYS**

Share or delete digital keys using the app. Includes 5 digital keys with every account setup.

## **MANAGE USERS**

Set unique access schedules for each user and view a history of who accesses your home.

## **ONE TOUCH LOCKING**

Lock-up without the hassle of keys by simply tapping the keypad.

## **CUSTOMISE LOCKS**

Create up to 12 unique PIN codes, adjust lock features and personalise your setting.

## **KEY FREE OPTION AVAILABLE**

No cylinder means no lost keys

## **BATTERY BACK UP**

Never lose power, the lock can be energised with a 9V battery (keyless version only).
