

## **Professional Deep Cleanse Shampoo**

### **Indications:**

- To remove waxy build-up caused by shampoo, conditioner and hair treatments.
- Cleanses all dirt and oil on the scalp in the hair follicles.

### **Key Features:**

- Anti-residue formulation.
- Removes soap scum from scalp that can clog hair follicles and pores.
- Removes both large and small waxes left on the scalp by all shampoos and treatments.
- Removes waxes from conditioners, mousse, sprays, gels and treatments.
- Keeps scalp clean and debris-free.
- Gives hair a clean, fresh feeling.
- Improves the performance of hair treatment products.
- Improves shine.
- Non-irritating.
- Methyl Salicylate (Wintergreen) gives you a fresh, clean and invigorating feeling as well as adisinfectant and topical anesthetic.
- Panthenol (Vitamin B5) gets into the scalp to help metabolize fats and enzymes in the skin.
- Peppermint Oil is antibacterial and invigorates the skin.
- Non-alkaline so as not to damage the hair shafts from alkalinization.
- Use once a week as a treatment for healthier hair.

### **Directions:**

- Use once a week instead of your normal shampoo.
- Apply small amount to get thick, compact foam to cover the hair.
- Massage lightly for 30 seconds.
- Leave on for 1 minute. Rinse well.
- Repeat if necessary.

### **Warnings:**

- For external use only.
- Can be used daily but not intended for this purpose.
- Keep out of reach of small children.
- Avoid contact with eyes.
- If irritation develops, discontinue use.
- Not recommended on new chemical treatments.
- Not recommended for red hair.
