

B-Kleer™ Antimicrobial Cleansing Gel (OTC Drug)

Regulatory Status

- FDA Monograph: Topical Anti-microbial Drug Products for the OTC Human Use.

Indications

- To promote cleanliness by allowing regular and continuous cleansing without drying the skin.
- To kill germs (E.coli, Pseudomonas, and Staph), which cause infection.
- To kill germs (Propionibacterium), that is prevalent in acne conditions.

Key Features

- Maximum Strength.
- B-Kleer™ is manufactured in accordance with manufacturing practices for DRUGS.
- B-Kleer™ kills 99.99% of harmful germs, including Escherichia coli (E.coli), Pseudomonas, Staphylococcus (Staph); 99.9% P-bacteria (Propioni bacterium found in acne) on contact.
- Eliminates bacterial and fungal contamination.
- Broad-spectrum Antimicrobial action, encompassing Gram-Negative, Gram-Positive, Fungi, Yeast and Acid Fast bacteria.
- Benzethonium Chloride disrupts bacterial growth and forces it to destroy itself.
- A water-soluble formulation improves the permeability of agents in the skin. This action causes improve efficacy to kill bacteria within the skin and to remove debris.
- Offers immediate sanitation. No waiting for active ingredients to become effective.
- Non-drying cleanser that leaves no residue or sticky after-effect.
- Alcohol-free product, which offers critical benefits since alcohol-based antiseptic cleansers indicate added risk of potential flammable solution in a wound site.
- Designed for continuous use.
- Perfect for all skin types.

Directions

- Wet hands. Place a small amount into your hands and work in to lather.
- Apply lather on areas to be treated with a gentle, circular motion.
- Rinse clean.
- Use as often as necessary.

Warnings

- External use only. Do not use in eye.
- In case of deep wounds or puncture wounds, consult a physician.
- If irritation develops and persists for more than a few days, discontinue and consult a physician.
- Do not leave on skin for more than one minute without rinsing.

Do not apply directly to any mucous membrane or bodily opening without completely rinsing off.
