

Pro-C® Elite Serum with Ferulic Acid & Vitamins A, C & E

Indications:

- An antioxidant to assist in the repair of sun damaged skin
- A skin protectant from environmental stress
- Topical treatment scientifically known to fight inflammation
- Improves tone and softness of the skin's appearance
- To enhance the performance of vitamins and antioxidants in the skin especially Vitamin C

Key Features:

- 20% concentration of essential Vitamin C
- Provides more Vitamin C than normal healthy skin typically contains
- Ingredient cocktail with Vitamins A, C & E, which have been long proven to help combat anti-aging
- Need very little product to see results. Use sparingly on the face, around the eyes, the delicate neck and lip line areas. Less is more!
- Our Ferulic Acid is produced from rice bran
- Dramatically more effective than straight water-or-lipid soluble Vitamin C.
- Ferulic Acid has been medically found to work as a skin tumor inhibitor
- Natural antioxidant with proven medical benefits
- Improves skin tone, softness and color within days
- Vitamin C is the stabilizing ingredient during the synthesis process for collagen Critically improved shelf life since Ferulic Acid helps keep Vitamin C stable
- This formula gives a 24 hour reservoir effect in the skin with Vitamin C and 48 to 72 hours on other key components
- May be used simultaneously with exfoliators such as Glycolic Acid and Retinol-based products
- Contains Polypeptides which are amino acid building blocks to help the skin
- No stinging or irritation when applied
- Recommended use is once daily but may be used twice daily for more severe problems
- Lipid and water soluble components
- Photo-protection activity in solar-simulated irradiation more than doubled with this formulation of Vitamin C (20%), 1% Vitamin E and 0.8% Ferulic Acid giving a 4-fold to 8-fold improvement
- Two yeast extracts deliver significant benefits to the skin by adding Hyaluronic Acid and Collagen
- Can be used on acne to help inflammation
- May be used when pregnant
- Antioxidants reduce free-radical damage / reactive oxygen species (ROS)
- Non-comedogenic
- Fragrance-free
- Non-toxic

Directions:

- Gently cleanse your face and neck.
- Allow the skin to dry. Apply 1 pump lightly and evenly on the entire face. Use a separate single pump of product if applying to the neck area and another for the décolleté area.
- Do not massage or rub into the skin. Allow to dry. If not dry within 1 minute dab off excess with a tissue.
- Follow with your anti-aging exfoliator treatment.
- Then apply our Pro-Tect® sunscreen for daytime use. Apply up to 2 times daily. Maximum results should occur within 6 weeks of daily use...then continue as part of your daily maintenance.

Warnings:

- For external use only
- Keep out of reach of small children
- Avoid contact with eyes
- If irritation develops, discontinue use for 3 days. Then start again, once daily, using less product
- Do not massage or rub into the skin
