

Glycerin Cleansing Bar

Indications:

- To thoroughly and gently cleanse the skin with a fairly neutral and pH balanced cleanser.
- To gently cleanse oily and waxy debris that builds up in the pores.
- For sensitive skin.
- For dry skin.

Key Features:

- Long lasting glycerin-based soap with no additives.
- Scored less irritating and having better rinse rate on the Kligman test than Neutrogena®.
- May be used for face or body.

Directions:

- Wet area to be washed.
- Apply cleansing bar and lather well.
- Rinse off with tepid water and pat dry.

Warnings:

- For external use only.
- Avoid contact with eyes.
