

Non-Drying Ultra Gentle Facial Cleanser

Indications:

- Soap-less cleanser for sensitive, dry and normal skin.

Key Features:

- Extremely mild cleansing lotion.
- May be used on most skin types, including mature skin. May be too moisturizing for acne-prone skin.
- Excellent for pre- and post-peel and facial cleansing.
- Can be used with or without water.
- Can remove most makeup, even around the eyes.
- Perfect cleanser to begin AHA / Glycolic program, Similar to Cetaphil® and Purpose®.
- Use to deactivate Glycolic Acid peels (pH 7.0).
- Use for pre- and post-op care for laser treatment.
- Contains no harsh ingredients.

Directions:

- Regular daily use.
- Apply a liberal amount to skin surface.
- Massage gently to liquefy and remove dirt and other impurities.
- Rinse thoroughly with tepid water and pat dry.
- Without water: remove gently with tissue.
- Professional Peels: See Peel Protocol under Professional treatments.

Warnings:

- For external use only.
- Avoid contact with eyes.
- Keep out of reach of small children.
- If irritation develops, discontinue use.
