BakeMax BMDD003 Countertop Divider Rounder Combo

The BakeMax BMDD003 Divider Rounder Combo is composed of one dough divider and one dough rounder completely automatic, to prepare round and perfectly closed dough portions of different weights with ease and saving time and labor. Easy to disassemble and to clean. This machine is manufactured according to sanitary and safety norms.

The divider can process up to 200 kg of dough per hour into 70 – 250 gram portions. The BMDBR03 rounder then processes each portion 50 times to ensure they come out round and perfectly closed, ready to rise, as if they were rounded manually.

Features:

- Constructed of high quality stainless steel and anodized aluminum
- Saves time and labor with its automaticity
- New laser sensor measuring technology for precision cutting
- The rounder processes each portion 50 times to ensure they come out round and perfectly closed, without causing any strain to the dough.
- Dividing Range: 70 – 250 grams.
- Rounding Range: 70 to 1,200 grams
- Output: 70-200kg per house
