# TWISTER JAR™

## EVERY LAST MORSEL

The Twister Jar™ effortlessly blends your thickest recipes in seconds. The unique twister lid uses special scrapers to pull dense, thick ingredients away from the wall of the jar and back into the blade. Simply add ingredients and twist the lid while blending.

## SMALLER BLENDS

Meant for smaller and tougher blends, the Twister Jar™ is ideal for recipes that call for more stubborn ingredients, such as acai breakfast bowls, thick milkshakes, nut butters, hummus – even bread & cookie crumbs.
