EMECO
FROZEN BEVERAGE SOLUTIONS
• SINCE 1961 •

Exclusive Features

Innovative dispensing system

Total cold system

Reduces energy consumption and noises

"Seal-Less" drive shaft system which eliminates mandatory preventive maintenance

Electronic system, density control and auto diagnostic

Removable external condenser air-filter

Elmeco Quick cream White has been specifically designed for making and dispensing semi-frozen and frozen cream, frozen yogurt, frappes, soft serve dessert and sorbet. Quick and easy to disassemble and clean, Quickcream White guarantees maximum hygiene for milk-based products. Thanks to the easy-to-use electronic functions and a patented dispensing system, it serves electronically measured portions of approximately 70 grammes each. With its soft, appealing lines and a wide range of customisable shells, will furnish your bar or restaurant in style.

BLACK

Elmeco Quick coffee Black is a compact and versatile machine for preparation of a true black granita coffee. Due to technological solutions, it preserves the authentic taste and color of the various coffee blends. With Quick Coffee Black you can serve fresh frozen coffee without additives (stabilizers or preservatives). Elegant and robust, enhances profits through energy savings as well as merchandising of coffee's true colors.
