

LX-24RB

SINGLE GLASS DOOR
MERCHANDISER REFRIGERATOR

Large single door merchandiser refrigerator energy efficient, eco-friendly HC refrigerant with low charge, spark-free components, professional technical service and unmatched warranty.

KEY FEATURES

- **Eco-Friendly Refrigerant**
Environmentally friendly R290 hydrocarbon refrigerant has low global warming potential (GWP). Meets all USA, California & Canada refrigerant & energy standards.
- **Digital Temperature Display**
Electronic controller assures optimal refrigeration performance through precision temperature control.
- **High Power Reliable Refrigeration System**
Fast pull down, optimal internal air circulation and reliable refrigeration, maintaining colder temperatures for food preservation.
- **Standard LED Lighting System**
Ultra bright 250 LUX, low energy interior LED illumination system provides optimal merchandise display visibility. Low profile, door mounted, clip-in LED design.
- **Spark-Free Refrigeration Components**
All glass door merchandiser models have spark free refrigeration components for optimal safety, per UL requirements.
- **Low Noise Refrigeration Unit**
Rated under 65 Db

**INDUSTRY'S FIRST
40/80 WARRANTY**

40 months parts and labor / 80 months on compressor and part only
