

WIRELESS INGREDIENT SCALES

PZ SERIES

NSF Certified

DETECTO
model PZ60W
wireless ingredient scale

- Wireless Connection Between Scale Base and Indicator
- Wave-a-Weigh Hands-Free Tare
- Stainless Steel Platform for Easy Clean-ups
- Uses Off-the-Shelf AA Batteries (not included)
- Wall-Mounting Bracket for Indicator

WIRELESS DISPLAY PORTION SCALES

POSITION THE DIGITAL DISPLAY WHEREVER IT'S THE MOST CONVENIENT FOR YOU.

DETECTO's PZ30W and PZ60W wireless ingredient scales provide remote readouts without any cables or wires ever getting in the way. The scale base and display both operate on AA batteries (not included) and each comes with its own AC adapter (included). The HOLD feature allows you to retain the weight of the product even after it's removed from the scale.

- 30 lb and 60 lb capacities available
- 14 in x 14 in stainless steel platform
- Large 1-inch-high LCD readouts
- Quick response time
- NSF certification
- Units switching between the most common units of measure
- Pushbutton and hands-free tare

3 CHANNELS TO SELECT FROM AND AVOID WIRELESS INTERFERENCE

HANDS-FREE TARE

The PZ series features Wave-a-Weigh hands-free tare to remove the tare weight without ever pushing a key. This exciting feature allows quicker and cleaner food prep in a busy commercial kitchen via the photo eye for touch-free tare functionality.

STAINLESS STEEL QUALITY

Stainless steel scale platform for long-lasting durability and easy clean-up after messy food prep.

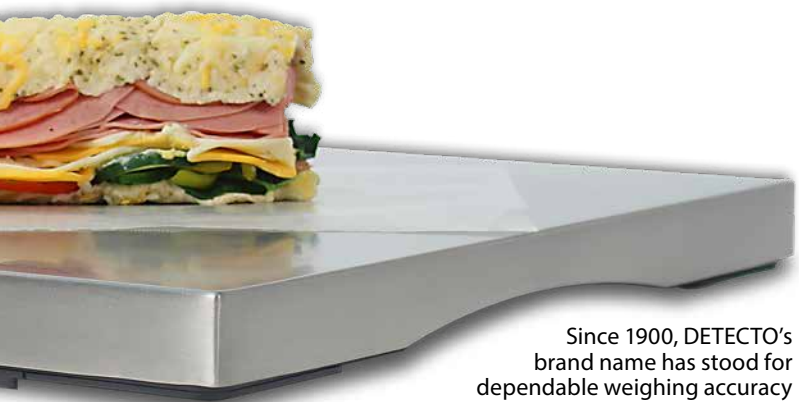

DETECTO Models PZ30W/PZ60W

WIRELESS INGREDIENT SCALES

CUT THE CORD ON THE TIES THAT BIND

If you are always wrestling with display cords and power supplies that get in the way on your food prep table, then DETECTO's PZ series scales are for you! You have nearly unlimited mounting options for the versatile remote display, and you can place the scale base anywhere, since they are connected wirelessly.

This provides you with the ultimate in freedom for setting up your prep station for portioning, batching, and general food weighing. You can build your food product directly on the scale using the helpful hands-free tare photo eye to measure each step of the process.

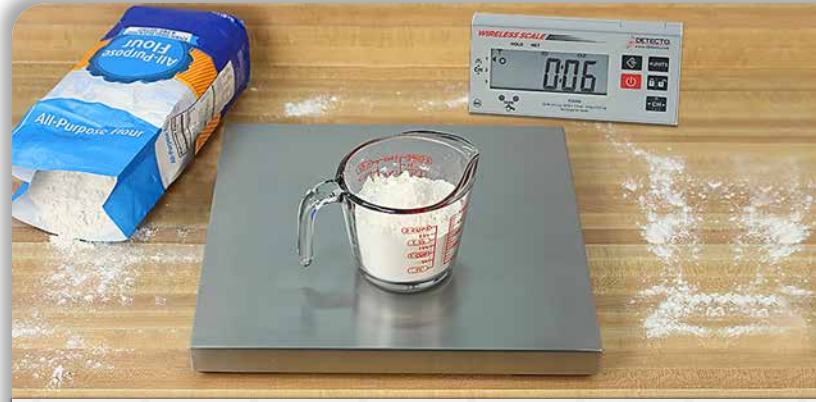

Since 1900, DETECTO's brand name has stood for dependable weighing accuracy for many years to come.

MOUNTING BRACKET

The display can be easily positioned wherever it's best viewed for your food prep operation, regardless of the constraints inherent in a scale with cable. You can lay the display on a tabletop for portable use or mount it permanently against a flat wall. The display comes with a built-in mounting bracket on the back for easy wall-mounted installation (two screws and mounting anchors included).

FLEXIBILITY

The wireless display gives you the freedom to place it in a location that is most easily accessible for use.
