

VERSATILE COLD STORAGE SATISFYING YOUR LOCATION CHALLENGE

Traulsen Equipment Stands provide the long-lasting versatility you want, and the reliable temperature-holding you need. Stainless steel cabinets with 6"-deep pans, available in a variety of lengths and layouts, are built to meet all your storage requirements. Our sturdy design holds up to 500 lbs. per section, easily supporting broilers, ovens, fryers, or griddles. Each section has a dedicated cooling system, ensuring temperature integrity and product safety in harsh kitchen environments.

1 REDUCE COSTS

- Better performance; less food waste
- Heavy duty drawers, condenser filter, and EZ Clean Gaskets combine to reduce lifetime service costs

2 SAVE LABOR

- Uses 6" deep pans which require less frequent filling
- Condenser filter makes regular cleaning easier

3 ENHANCE KITCHEN DESIGN

- Front-breathing design, zero clearance installation
- Choose from 7 standard sizes or customize the length as needed using optional cabinet extension sections

3 YEAR PARTS & LABOR WARRANTY
5 YEARS ON COMPRESSOR

4 SUPPORT FOOD SAFETY

- Dedicated cold air supplied to each drawer maintains safe temperatures even with frequent drawer opening

5 ENABLE YOUR EMPLOYEES

- Self-closing drawers with stay open feature
