Model:
M-069

Typology:
SOLAR BATTERY PACK

Description:
Rechargeable battery pack with solar panel

Battery	Polymer Lithium-Ion
Capacity	2600 mAh
Input Voltage	5Vdc Connect via USB/micro-USB cable to an external USB power supply (not included)
Output	5.5Vdc 1A
Charging time	About 5 hours Connect via USB/micro-USB cable to an external USB power supply (not included)
Battery operating time	Over 6 hours at medium intensity (X-LED[3])
Solar Panel Output	80mA (at 1000W/m^2 light)
Working Temperature	-10°C ~ +55°C
