IMPORTANT SAFETY INSTRUCTIONS

When using iron, especially when children are present, basic safety precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING

For tips and tricks on how to use your Beachwaver, visit Beachwaver.com

WARNING: The Beachwaver® Multi Barrel curling iron has a motorized function that, if impaired, could cause serious pain or burns to the scalp. If used improperly or if product malfunctions, discontinue use immediately. If the motor continues to rotate without the control of the Rotation Button, immediately unplug unit, release the clamp and slide hair out. Contact Customer Service for support.

WARNING: POSSIBLE ELECTRIC SHOCK. DO NOT IMMERSE IN WATER OR USE WHILE BATHING. SUITABLE FOR DRY LOCATIONS ONLY.

WARNING: The Beachwaver® Multi Barrel iron is an electrical appliance and reaches high temperatures. Use of iron requires constant supervision and should be kept away from water.

KEEP AWAY FROM WATER!

DANGER – As with most electrical appliances, parts are live even when the switch is off. To reduce the risk of death by electric shock:

1. Always unplug it immediately after use. When the appliance is connected to a power supply, never leave it unattended.
2. Do not use while bathing.
3. Do not place or store iron where it can fall or be pulled into a tub, sink or other vessel containing water.
4. Do not place in water or other liquids.
5. If the appliance falls into water, unplug it immediately.

DO NOT REACH INTO WATER!

WARNING – To reduce the risk of burns, electrocution, fire, or injury to persons:

1. This iron should never be left unattended when plugged in.
2. Close supervision is necessary when this appliance is used by, on, or near children or individuals with certain disabilities.
3. This iron is only intended for use as described in this manual. Do not use attachments not recommended by the manufacturer.
4. Never operate the iron if it has a damaged cord or plug, if it is not working properly or if it has been dropped, damaged or dropped into water.
Contact customerservice@beachwaver.com for more information.
5. Keep the cord away from heated surfaces. Do not wrap the cord around the appliance.
6. Never use while sleeping.
7. Do not use outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered.
8. Never drop or insert any object into any opening or hose.
9. Do not use an extension cord with this appliance.
10. This curling iron and clip are hot when in use. Do not let eyes and bare skin touch heated surfaces.
11. Do not place the heated curling iron directly on any surface while it is hot or plugged in. Always use the stand provided to place on a heat-resistant, stable, flat surface.
12. Do not use if hair has been treated with flammable products.

13. Iron will be hot when in use.
14. Do not allow children to use.
15. Do not use iron when you are impaired in any way.
16. Iron must be completely cool before storing.
17. Do not attempt to touch the surface of the iron, as it is hot and can cause injury, burns and pain. **KEEP AWAY FROM WATER.**
18. Do not use without the assistance of a mirror.
19. Do not pull, twist, or wrap cord around the iron.
20. Do not operate with a voltage converter.

This appliance has a polarized plug. As a safety feature, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to alter this safety feature.

SERVICING OF DOUBLE INSULATED APPLIANCES

In a double-insulated appliance, two systems of insulation are provided instead of grounding. No grounding means is provided on a double-insulated appliance, nor should a means for grounding be added to the appliance. Servicing a double-insulated appliance requires extreme care and knowledge of the system, and should be done only by qualified service personnel. Replacement parts for a double-insulated appliance must be identical to the parts they replace.

This appliance is for household use.

WARRANTY: Please visit <http://www.beachwaver.com/pages/return-policy> for information on how to register your tool or to make a warranty claim. You may also email customerservice@beachwaver.com.

To get the most from your Beachwaver® Multi Barrel curling iron, follow @**TheBeachwaver** for tutorials and tips. This is our safety instruction sheet. Our user guide will be available on the website. The safety instruction sheet advises the consumer to visit the site <https://beachwaver.com/pages/manuals>.

WARNING:

- Do not use this appliance near bathtubs, showers, basins or other vessels containing water. When the appliance is used in a bathroom, unplug it after use since the proximity of water presents a hazard even when the appliance is switched off.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
- Burn Hazard! Keep appliance out of reach from young children, particularly during use and cool down. Children shall not play with the appliance.
- Cleaning and user maintenance shall not be made by children without supervision.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- For additional protection, the installation of a residual current device (RCD) having a rated residual operating current not exceeding 30 mA is advisable in the electrical circuit supplying the bathroom. Ask your installer for advice.
